Professional Experience

Call Concierge Team Leader Q4 Inc. | Remote | Part-Time | April 2026 – Present

- Lead daily operations for a team of 20 concierges, raising service levels from 90% to 98% through KPI monitoring and performance tracking
- Increased team attendance from 89% to 100% through one-on-one coaching, performance reviews and targeted training
- Monitor real-time call queues in Amazon Connect, identify staffing and performance gaps, and take corrective action

- Manage team schedules and shift coverage to maintain adequate staffing during peak call volume
- Escalate operational and performance concerns to management and contribute to process improvement initiatives

Customer Service Associate Full Potential Solutions | Davao City, Philippines | October 2024 – November 2025

- Supported customers of fintech platforms handling international money transfers, averaging a 2-minute resolution time
- Maintained 87%–100% customer satisfaction (CSAT) across phone, email and live chat
- Resolved inquiries on transaction status, fees, exchange rates and account verification
- Applied Anti-Money Laundering (AML) and Know Your Customer (KYC) protocols to transactions and account inquiries
- Protected sensitive financial information by following strict confidentiality and data-handling procedures

Marketing & Social Media Manager Direct Client | Remote | Part-Time | June 2024 – January 2026

- Managed Facebook, Instagram and TikTok accounts, covering content planning, scheduling, publishing and community management
- Created and edited Reels, Stories, short-form videos and campaign visuals using Canva and CapCut
- Responded to comments, direct messages and customer inquiries to build positive community relationships
- Coordinated influencer collaborations, giveaways and paid advertising to grow brand reach and conversions

Customer Service Representative / Subject Matter Expert iQor Philippines | Davao City, Philippines | February 2023 – February 2024

- Promoted to Subject Matter Expert (SME) for strong performance and product knowledge
- Provided floor support to 120 agents, mentored new hires and reinforced process adherence alongside team leaders

- Resolved orders, shipping, tracking, returns, refunds and product availability requests for a major U.S. retail brand via phone, email and chat
- De-escalated sensitive and complex customer issues with calm, solution-focused communication and policy compliance
- Conducted knowledge refreshers to improve service quality and team performance

Bank Teller Philippine Business Bank | Davao City, Philippines | July 2022 – November 2022

- Processed deposits, withdrawals, loan payments, fund transfers and check-cashing transactions accurately and efficiently
- Verified customer identification and transaction details to support compliance and fraud prevention
- Balanced cash drawers and resolved discrepancies through end-of-day reconciliation
- Resolved customer inquiries on accounts, banking products and transactions while maintaining confidentiality

Business Owner – Sales and Customer Service Self-Employed | Philippines | May 2021 – March 2022

- Managed daily operations, including customer inquiries, sales transactions and order fulfillment
- Set pricing, budgets and cost controls to support sustainable profitability
- Maintained customer relationships and accurate sales and payment records

Customer Service Representative Awesome CX | Davao City, Philippines | October 2019 – April 2021

- Supported customers of an online premium wine and beauty store through Zendesk email and chat
- Handled order placement, returns, shipping and product inquiries with accurate, timely resolutions
- Recommended products based on customer preferences, skin types and ingredients to improve satisfaction
